

HEALTH PROTOCOL

ENERGY FOR SMART MOBILITY 2021 FORUM

In the health context of the COVID-19, the Energy For Smart Mobility Forum adapts its reception conditions for the day of October 6th at the Palais du Pharo in Marseille.

The individual responsibility of each participant to limit the effects of the pandemic is fundamental, and the respect of the measures and protocols defined below is imperative.

This protocol is based on the latest recommendations of the French health authorities. It is evolving and will remain in accordance with the requirements issued by these authorities. We will therefore keep you informed of any changes that may occur

HEALTH PASS REQUIRED TO ACCESS THE FORUM

You must have one of the following documents:

- Proof of a negative RT-PCR test, a negative antigenic test or a supervised negative self-test (with proof of result entered by a health professional) less than 72 hours old.
- A serological test or certificate of infection less than 6 months and more than 11 days old proving coronavirus infection. This certificate is only valid for six months from the date of the examination or test.
- A certificate of complete vaccination of one of the vaccines having been the subject of a marketing authorization issued by the European Medicines Agency:
 - 7 days after the 2nd injection for double injection vaccines (Pfizer, Moderna, AstraZeneca) ;
 - 28 days after the injection for vaccines with a single injection (Johnson & Johnson) ;
 - 7 days after injection for vaccines in people with a history of Covid (single injection).

The health pass will be requested and checked outside the forum access hall. For those who cannot present a valid health pass, access will be refused.

An antigen test can be done without an appointment at the Catalans Pharmacy (8 rue des Catalans, 13007 Marseille).

REMINDER OF PROTECTIVE MEASURES

Wash your hands regularly: hydro-alcoholic solutions will be available at various strategic points (reception, entrance/exit of conference rooms, common areas, etc.).

Wearing a mask is mandatory in all the interior spaces of the Palais du Pharo, and strongly recommended outside when there is a high concentration of people.

Cough and sneeze into your elbow or into a disposable tissue. Use a disposable tissue to blow your nose, cough, sneeze or spit, and dispose of it immediately.

Avoid touching your face, especially your nose and mouth.

Respect physical distancing measures: no shaking hands or kissing in greeting. Physical distance of at least 5 feet.

Stay home if you have symptoms suggestive of COVID-19: opt for online participation in the event.

E4SM FORUM SPECIFIC INSTRUCTIONS

In order to welcome you in the best conditions, we ask each participant to bring:

- At least **2 masks** (to be changed every 4 hours);
- Your own pen and water bottle.

During meals (coffee break, lunch, dinner), it is compulsory to wear a mask when moving around the restaurant area until the first course is served.
